

## CONTRACT FOR SERVICES & TERMS AND CONDITIONS FOR A MODIFIED FIRETV STICK

I. **Liability:** In no event shall Full Stream Ahead TV be liable for any special, direct, indirect, consequential, or incidental damages or any other damages whatsoever, whether in an action of contract, or other tort including negligence, arising out of or in connection with the modification of the Stick. Full Stream Ahead TV reserves the right to make additions, deletions, or modifications to the contents in modifying of a FireTV Stick at the time of new or support services. Full Stream Ahead TV reserves the right to withhold any information which it deems fit and in no way be liable for any damages owing to the non-disclosure of that information. Furthermore, Full Stream Ahead TV is not responsible for any damages for information or service provided even if Full Stream Ahead TV has been advised of the possible damages.

II. **Modification:** Nothing hosted on Full Stream Ahead TV should be construed as an attempt to offer or render a legal opinion or service of a modified FireTV Stick. The website makes no guarantee of validity and doesn't own any responsibility for the authenticity or veracity of any content installed on a FireTV Stick. The modified FireTV Stick at time may host content which isn't suitable for all audiences including children. Viewers' discretion is advised in these cases and the client bears sole responsibility for any all web pages or stations viewed. Full Stream Ahead TV provides only the labor of modifying a FireTV Stick to add 3rd-Party add-ons. These add-ons include Live TV (Internet Protocol TV – IPTV) and On-Demand TV. Full Stream Ahead TV does not store any streams, live or on-demand on a cloud or server. It only installs add-ons that provide streams belonging in the public domain. Full Stream Ahead TV does not condone the use, access or downloading of copyright material. Full Stream Ahead TV does not provide or offer subscriptions for VPN, Live TV or any other 3rd-Party applications. Any subscriptions are paid by the client. While Full Stream Ahead TV installs what they deem the most effective add-ons for clients. FSATV does not warrant or guarantee the effectiveness of any installed 3rd Party applications or their longevity.

III. **Support:** Upon a client contract with Full Stream Ahead TV to modify a FireTV Stick, the client avers that they have tested their internet speed is at least 40 mbps where their FireTV Stick will be used. Should a client have any issues or problems with any add-on, it is the client's responsibility to contact Full Stream Ahead TV within 14 days after receipt of a completed, modified FireTV Stick, which at that time Full Stream Ahead TV will troubleshoot the problem at the shipping cost of the client but without a labor charge for the troubleshooting or fixing. Should the client still be dissatisfied with any troubleshooting, Full Stream Ahead TV reserves the right to refund the labor charge to the client once the client has submitted the identifiable FireTV Stick back to Full Stream Ahead TV at the client's expense.

IV. **Legal:** There is no copyrighted content or media installed or stored on any FireTV device serviced by Full Stream Ahead TV. Full Stream Ahead TV does not condone any copyright violations, including, but not limited to downloading, publicly displaying or any other activity that violates copyright law. Full Stream Ahead TV does not know if any installed 3<sup>rd</sup>-party application holds or does not hold the proper licensing for the channels that they deliver. Full Stream Ahead complies with the laws in the United States, understanding these applications are NOT illegal, as many of the streams on any IPTV or On-Demand application or service exists on public airways. It is each client's responsibility to adhere to copyright laws – which currently requires two conditions: 1 – there is no downloaded content (which streaming is not) on a device and, 2 – it is not publicly displayed (not in the privacy of one's home.) Full Stream Ahead TV does not in any way endorse, promote or encourage any illegal or criminal activity. Downloading copyright content is unlawful and must not be practiced. The mention of any illegal/pirated content on the website, if any, happens, then it should be construed strictly for educational and informative purposes. We highly discourage piracy and strictly advise our readers

to avoid it at all costs. Full Stream Ahead TV adheres to only legal streaming practices and not that of any downloading practices. Please see our FAQ on the website, under the legal section for our position on streaming and copyright law. Tutorials found on Full Stream Ahead TV are purely for Educational purposes and meant for the content that is available in the Public domain. These guides/tutorials MUST NOT be used for any unauthorized or illegal activities. Full Stream Ahead TV cannot be held responsible for any legal consequences that users might face due to their illegal downloading or other activities. Users are advised to check US and local laws regarding streaming pirated content and we advise our readers to strictly adhere to them. Full Stream Ahead TV DOES NOT host or link copyright content.

V. **Warranty and Moneyback Guarantee:** After the 14-day labor warranty, any work needed to a client's FireTV Stick will incur a \$50 service charge including a shipping and handling charge. If any work is needed that may be resolved by phone or skype, a \$25 per half hour fee will be charged and paid before contact. The warranty of a modified FireTV Stick does not include any issues or problems with any default FireTV Stick applications or apps installed by Full Stream Ahead TV. Full Stream Ahead TV provides a 30-day, money-back guarantee if the client requests money back. The request must be made in writing within 30-days, the identifiable FireTV Stick must be sent to Full Stream Ahead TV at the client's expense with pre-paid postage enclosed to return the FireTV Stick back in default condition. The client will be reimbursed their modification labor fee minus \$25 per Stick that was serviced.
